Under the terms of the contract, if your account(s) become delinquent at any time, the utility company can request payment from the VAT office. The VAT office is required to pay the bill on your behalf and remove you from the program immediately. Upon payment of a delinquent bill on the customer's behalf, a letter will be sent to the customer requesting reimbursement for the bill and an administration fee of \$25. Being removed from UTAP will place you in a taxable status with all of your registered utility companies. The utility company may charge you a security deposit. A notice may also be sent to your 1st Sgt. and Commander for failure to meet financial obligations. If you are Active Duty Military, DD Form 139 Pay Adjustment Authorization will automatically be submitted to have the amount owed taken directly from your military pay. If you are a NAF employee, Government contractor or Civilian, your account will be sent directly to the Treasury Offset Program (TOPS) for collection. This program is a federal collections company that can withhold any monies from your federal pay (i.e. retirement, federal income taxes, etc.).

REINSTATEMENT: You can apply to be reinstated one year from the removal date. You need to meet the following: delinquent bill(s) have been settled, provided proof of good standing through automatic deductions with all companies for the past 12 months, and the UTAP enrollment fee is paid again.
